For 14 years the company has been managing all kinds of Internet rights for media content, creating and promoting YouTube channels, producing and producing its own projects for any audience.

Premium YouTube partnership

X-Media Digital is a certified premium partner of YouTube (YouTube Certified). The company

Today the channel has more than 30 million subscribers, and the monthly number of views on all

The company actively cooperates with the leaders of international distribution film market, is

owns the largest multi-brand channel for children's animated content Get Movies. In 2017, the channel reached the mark of 10 million subscribers and received a diamond YouTube button, thus setting a world record for the number of subscribers among the channels of children's and family content.

channels of the X-Media Digital network reaches three billion. The most popular cartoons of Russian and foreign production for children of all ages are placed on the X-Media Digital channels: Masha and the Bear, Fixiki, BabyRiki, Om Nom Stories, Angel Baby, Robocar Poli, Fairytale Patrol, collections from Soyuzmultfilm and many others.

engaged in management of Video on Demand system rights and licensing of Russian and foreign content. The partner program X-Media Digital allows users from all over the world to create their own channels, post and promote content, monetize and increase income, as well as get the status of a premium partner of YouTube. Today the network of X-Media Digital YouTube partner channels is a large-scale library of films and series, from classics to premieres of film distribution, as well as news and entertainment programs.

Content production

An important part of X-Media Digital activity is the production of original content. The company independently deals with all stages of project production: idea development, script writing, shooting, post-production, placement and promotion on large sites.

Another product of X-Media Digital is a mobile application for children Teremok TV for iOS and Android. This is a full-fledged online cinema with an extended directory of content for children of all ages. Convenient and clear interface is made in such a way that even the youngest users can use the application on their own, without resorting to the help of parents. Teremok TV can be used free of charge in the online viewing mode or subscribe and be able to download the most popular Russian and foreign cartoons and watch without restrictions at any time. The application allows you to create a separate profile for each user and collect in it your own catalog of favorite cartoons, videos and songs. In addition to entertainment content, Teremok TV contains a large number of development and educational videos, created specifically to educate young viewers in the game mode.

Partners

Among the partners of the company X-Media Digital includes numerous online platforms: YouTube, Google Play, iTunes, IVI, OKKO, Megogo, Start, Premiere, Kinopoisk, Megafon, which allows you to reach the widest possible audience. Thanks to cooperation with major distributors and film distributors, X-Media Digital is able to collect a collection of premium content, which includes films and series of companies Paradise, Mars Media Entertainment, Russian World Vision, Exponenta Film, Russkiy Reportaj, Gorky Film Studio. As well as cartoons and animation series from the studios - Soyuzmultfilm, The Walt Disney Company, Aeroplan, Ricky, Smeshariki, Zero Plus Media, Animaccord and many others.

The channel has over

30 million subscribers

The company independently creates and produces audio and video content of any complexity level, develops and creates Internet

projects.
