

MICEVERSA

The leading company of Russia in the field of business tourism.

MICEVERSA

The leading company of Russia in the field of business tourism.

The MICEVERSA team has many years of experience in business tourism and provides services in organizing events, corporate trips, business trips, conferences of any level not only in Russia but also in other countries. The organization is engaged in planning of any scale: from booking and purchase of tickets to international events.

History of foundation

MICEVERSA was founded after one of the largest international sports events on the territory of Russia - Football World Cup 2018. In the two years of MICEVERSA's existence, the company has formed a number of representative offices in 9 different countries: Italy, Belgium, Denmark, Netherlands, Great Britain, South Africa, India, USA, Argentina.

During the preparation for which the team was formed as part of a project of South African tourist holding. During the period of joint work the team not only became a well-coordinated and structured team, but also gained invaluable experience of working with many thousands of groups, VIP clients, celebrities, colleagues in the organization of events from other countries.

The company has offices in

9 countries

The list of MICEVERSA representative offices abroad is constantly

updated, which gives a great advantage when communicating with customers and establishing new international contacts.

In 2019 the company signed a contract with the European Tourism Association.

Description of activities

MICEVERSA offers a full package of services in the fields of Meetings, Incentives, Conferences, Exhibitions - business tourism, associated with the organization and conduct of various corporate events and travel. The term refers to four key areas of business tourism activities:
