PANNA

The company PANNA, founded in 2004, is engaged in production of kits for creativity and needlework in various techniques.

In the same year the company created its first own brand PANNA, under which the first 10 embroidery kits were developed and released for sale, which were small subjects with animals. In the following years the company released popular series of kits, and the range was expanded with kits in black work techniques, beadwork, long stitch, carpet techniques and others.

About company

In 2008, the portfolio of PANNA brands was expanded by purchasing the Klart embroidery kits brand. Under this brand, PANNA produces kits for embroidery techniques counting cross and beads embroidery of light complexity and with funny, funny stories.

In 2014, PANNA began producing two new products - a set for sewing toys Miadolla and sets in the technique of patchwork Peppy Toys, for which unique fabrics are used, can be sewed with or without a sewing machine. With the Peppy set you can sew a pillow, tack, organizer and other home accessories.

In 2018, PANNA launched its own pencil factory - Voskresenskaya Pencil Factory. At the factory production specialists create the whole range of pencil products: black, color, watercolor, glass, wood, metal.

Products

The annual growth of the company's assortment increases by

300 items

The PANNA company produces handicraft products under several brands, including:

- PANNA embroidery sets (more than 1000 items, including sets in the techniques of embroidery with full paste, smooth, paillettes, ribbons, etc.);
- sets for cross and bead embroidery Klart (about 306 items in the range, including patented technique velvet seam);
- sets for Miadolla toys sewing (183 items in assortment);
- sets in the technique Freya diamond mosaic (the assortment of 223 items includes sets for making paintings, cards, magnets, pendants);
