# Uniq Cosmetic

Uniq Cosmetic is a leader in the production of cosmetic products for large retailers under the projects of private labels.

# Uniq Cosmetic

Uniq Cosmetic is a leader in the production of cosmetic products for large retailers under the projects of private labels.

The company produces widely known own brands of children's cosmetics 0+ (from the first days of life), cosmetics for adults (body and hair care), as well as ecological household chemicals. The team of Uniq Cosmetic was originally formed as a joint venture with a major German manufacturer of cosmetics. Production experience, European requirements and standards, rules and procedures were retained even after the German shareholder decided to leave Russia. Since 2004, Uniq Cosmetic has accumulated production competence and is still one of the leaders in the Russian Federation in the production and distribution of essential goods, as well as a reliable partner - most contracts last for decades.

The company has more than

**60** trademarks

And also patents and registered industrial designs

## Products

The product groups include: shampoos, conditioners, sprays, hair masks, shower gels, bath foams, body lotions, face creams, hand creams, foot creams, aftershave lotions and balms, intimate care products, diaper creams, sunscreens, eco-friendly household chemicals.

Uniq Cosmetic has more than 60 trademarks, patents, know-how, registered industrial designs. The list of the company's products includes such brands as: AQA baby, AQA DERMIKA, AQA kids, Baby Balance, Fliptopia baby, Clario, Capi Cure Professional, Rilana Salon Home, HANBOK, GRÜNWELT.

The products, produced due to the combination of unique for Russia production capacity and European quality, regularly receive high marks and awards from the expert community and are in high demand among the population. All company's production has the GMP certificate.

## **Company Brands**

## **Production of the company**

In 2018, in the Moscow region, the company built a new high-tech plant - Center for Cosmetic Production and Logistics - the largest in Russia and the Commonwealth of Independent States, a world-class plant specializing in the production of high quality cosmetic products, which is equipped with modern equipment and a system of strict quality control of products.

## Clients and partners

Today, the company's regular customers include the largest Russian retail and distribution networks operating both in Russia and the Commonwealth of Independent States countries.

The company exports to

**8** countries

## Export

Uniq Cosmetic products are supplied both in Russia and abroad.

Since 2013, the export of goods is carried out to a number of Commonwealth of Independent States countries. At the same time, in 2019 the product line AQA baby was notified to the European Union. In 2020 trademarks Baby Balance and AQA Dermika were notified.

In total, the company's products are delivered to eight countries.

## Exhibitions and awards

The company annually participates in thematic foreign and local exhibition events.

Since 2013 Uniq Cosmetic products have repeatedly won the nomination My Cosmetics at the international exhibition InterCHARM. In March 2020, the company's household chemicals were awarded gold medals in the Crystal Lotus competition at the annual exhibition InterCHARM, which is held in Moscow.
