

EFCO Group

One of the largest food producers in Russia, the backbone enterprise of the Russian Federation.

EFCO Group

One of the largest food producers in Russia, the backbone enterprise of the Russian Federation.

More than 25 years of experience in the market, annual turnover of more than \$3 billion.

The company specializes in processing oilseeds (sunflower, soybeans, rapeseed), producing packaged oils, fats and margarines, mayonnaises, ketchups, yogurts and dairy products. The main trademarks are Sloboda and Altero. The capacities of EFCO Group's production sites located in the Belgorod, Voronezh, Lipetsk and Sverdlovsk regions, Krasnodar Territory, Moscow Region, as well as the Republic of Kazakhstan, can provide processing of 3.5 mln. It actively diversifies its business through developing its own scientific innovation center, venture investments in foodtech and biotechnology, and developing vegetable analogues of animal

products under the brand name "Hi! (from the English "healthy innovation"). In 2020, it began producing plant-based meat. In 2021, the company introduced a line of plant-based milk and a line of plant-based yogurts to the market.

The Made in Russia project is a digital trading and media platform. It includes a business information agency Made in Russia in 12 languages, as well as a digital trading house selling and promoting goods and services abroad. Companies registered on the platform receive the right to use the Made in Russia project logo, access to a loyalty programme, services and facilities.
